

ISS FIRE PUMP REFERENCE LIST (2013-2015)

INTRODUCTION:

1989, ISS has been serving industrial, commercial, government and oil & gas sites in the field of fire and security systems as specialized contractor and agent for many international firms.

2001, ISS opens its manufacturing facility, located in AL OBOUR city, provides blending foam concentrates; packaging of Egyptian civil defense and NRC approved fire pumps, CO2/Dry powder systems assembly and piping fabrication for firefighting systems.

2003, ISS under license from Chemguard-USA has been awarded the first UL approval in Egypt & Africa on blending AFFF & AR-AFFF foam concentrates.

2006 Our quality system is certified by ISO 9001:2000

2011, ISS has signed an OEM agreement with EPE (Ebara pump Europe) and PTEI (PT Ebara Indonesia) to assemble their quality pumps in Egypt and to submit for getting the UL/FM approval.

Jan. 2012, ISS has been awarded the UL approval of its fire pump range.

Sept. 2012, ISS with the cooperation of EPE & PTEI has been approved to package UL/FM fire pumps in Egypt.

ISS FIRE PUMP REFERENCE LIST (2013-2015)
